Across it's 152m<sup>2</sup>, this elegant apartment offers the very finest in contemporary beachside living. Perfect for the downsizing or lifestyle driven buyers it has the complete package. Three bedrooms, two bathrooms and powder room, uniquely designed & appointed kitchen, open plan light filled living flowing onto an airy balcony, separate laundry & single car space.

Naturally this calibre of development offers the highest quality fittings & fixtures & world class building integrity.

Architecturally designed to maximise light, breezes, flow & well considered functionality while undeniably dressed to impress.

# Penthouse

3 3.5 2 289m<sup>2</sup>

# Sky-high decadence. Blending relaxation and sophistication.

Located on the top floor of the seven-storey, architecturally designed 'Picasso' building on a prime corner just 200 metres to Mooloolaba's popular family-friendly patrolled beach - this is something to behold.

Light-filled with ocean-glimpses, this 289m<sup>2</sup> penthouse occupies the entire top floor and is complete with three luxury ensuited bedrooms - two with their own private balcony, sleek entertainer's kitchen, two separate living areas, study nook, wine cellar/storage, two additional balconies, stunning pool, separate laundry, and secure two-car parking - this is truly gorgeous in every sense.

No expense has been spared in ensuring this penthouse has lashings of 'wow' and meets, if not surpasses, the expectations of buyers in the prestige beachside market. This is world class - spacious, elegant, effortless living that seamlessly blends sophistication and the casual Sunshine Coast lifestyle that makes this region so sought-after.

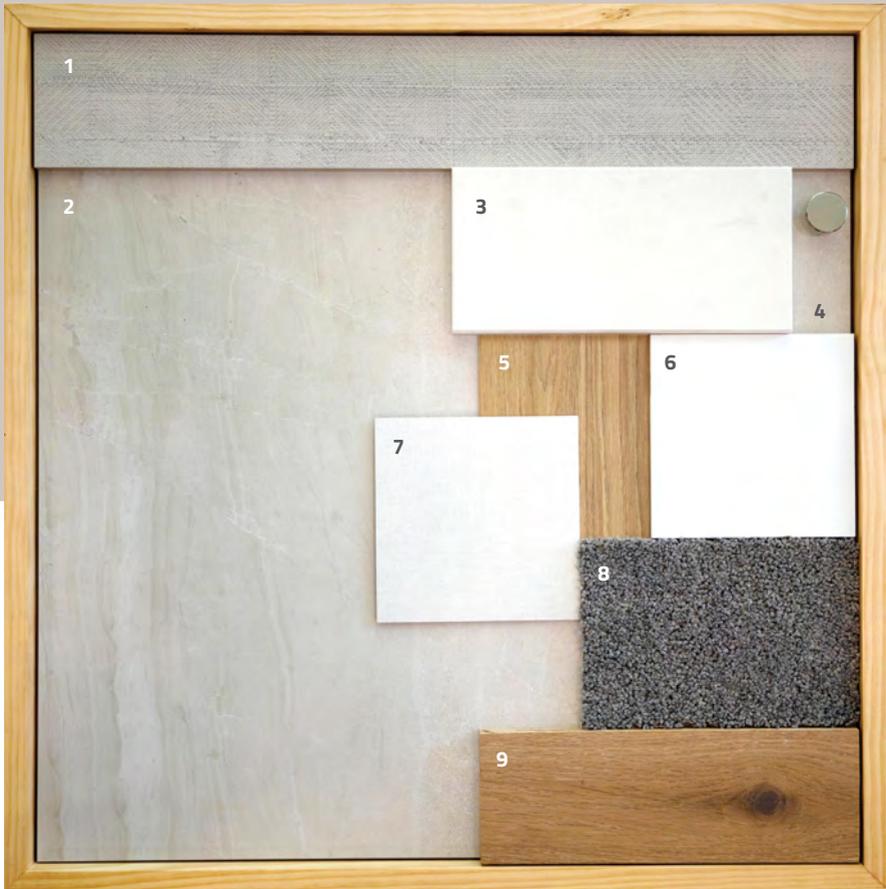

On the upper level of this master-planned complex of only 12 - with on-site facilities including pool, sub-tropical gardens, lift access, and low body corporate fees - you can truly live the high life without compromise in this coveted lifestyle mecca.

---
